Onslow Child Support Services Opening Office on Base

Onslow County, NC – Beginning Monday, Jan. 25, Onslow County Child Support Services will have an office on Camp Lejeune. The satellite office will be housed within the Onslow County Health Department WIC site aboard the Tarawa Terrace II military housing community.

Onslow County Board of Commissioners Chairman Barbara Ikner said, “This board has consistently supported any efforts to enrich families, improve their quality of life and afford them more options. We are delighted to bring more services closer to those who can benefit from them through the opening of this office aboard Camp Lejeune.”

According to Angela Lee, Health Director of the Onslow County Health Department, “This expansion of services and its location within the WIC office is a result of the consolidation of Social Services, the Health Department, and Senior Services, which took place in 2013. We plan to continue integrating services more and more to better serve clients. The construction of the Consolidated Human Services building is another example. It is much more convenient for clients to be able to access multiple programs from the different organizations in one location rather than having appointments in several locations to accomplish the same tasks.”

The Onslow Child Support Services’ office will be inside the Women, Infants, and Children location at 2455 Iwo Jima Blvd., Tarawa Terrace. Office hours are Mondays from 10 a.m. to 3 p.m.

“This office will provide to our military customers and their families services similar to those found at our off-base location. We are excited to have the opportunity to provide the programs on base where families live and work and very proud to support and serve our military community. We hope that the new location will increase access to the services that people need. Additional services are planned in the future,” explained Chris Slater, Community Liaison for Onslow County Child Support Services.

The main office of Onslow County Child Support Services is 201 Parkwood Drive, Jacksonville and is open Monday through Friday from 8 a.m. to 5 p.m. For additional information, please contact Onslow County Child Support Services at 910-938-3563, or visit our website at www.onslowcountycss.com.
